### Description

Take the weight off and lie back on the Steamer Deck Chair from Skagerak. The stylish sun lounger comprises a long teak wood traditional deck chair frame with slatted wood design and stainless steel elements found throughout the frame. The lounger comes with two arm rests and a sizeable head rest area for optimum relaxation. Simple, stylish and adding an aura of sophistication to the outdoor arrangement, the Steamer Deck Chair will make a fine addition to your garden and add a new layer of designer style to the surroundings.
