Description

Classic crystal glass table lamp with chrome detail and white pleated lampshade from Eichholtz.

The Longchamp Crystal Table Lamp has a body comprised of several transparent glass tubes that form the central structure that rests on a square base plate.

The lighting solution channels elegance and sophistication into the interior while providing a contemporary take on a timeless classic.

Place your Longchamp Crystal Table Lamp in the lounge, dining room or bedroom of your home.

Note: Requires 1 x E27 Max 40 watt bulb (not included).
