### Description

Set of four individual palm tree prints in polystyrene and glass frame from Eichholtz.  
The Palms Print Set features four different prints of palm trees on an off-white backdrop with a black border frame surrounded by a larger white border which creates a monochromatic effect.  
They are encased in polystyrene frames with glass panes protecting the print.  
The prints channel a calming and tranquil aura and will make a great addition in rooms throughout the interior such as the living area, hallway and bedroom.  
Add the Palms Print Set to your home for a new layer of artistic flair. Note: Dimensions shown are per print
