Description

Elegant table lamp made from crystal with nickel finish and off-white conical lampshade from Eichholtz.

The Guard Table Lamp will make a wonderful addition to your lighting solutions while adding elegance and designer style.

The lamp comprises a cylinder structure with minimal line pattern and a square base plate. The body of the lamp has a nickel stem running throughout while an off-white conical shade with line pattern covers the light source.

The gorgeous Guard Table Lamp is a contemporary take on a timeless classic that will illuminate your interior.

Note: 1 x E27 Max 40w required.
