### Description

Tall, nickel finished floor lamp with white conical shade from Eichholtz.

The Beaufort Nickel Floor Lamp comprises a square, nickel finished base plate that supports a thin stem surrounded by cylinder glass body.

The top of the lamp features an adjustable arm with a white fabric shade with subtle line pattern covering the light source.

The Beaufort Nickel Floor Lamp will inject contemporary style and a spotless feel into your home.

Place yours in the lounge, dining room or bedroom of your interior for a commanding figure that will illuminate the space.

Note: 1 x E27 Max 40w required.
