Description

Table lamp in an ageless brass finish with white conical lampshade from Eichholtz.

The Philips Brass Table Lamp comprises a two-layer square base plate with a long, thin stem surrounded by glass cylinder body. The lighting solution is finished with a conical shade in an immaculate white finish with fabric line pattern offering a subtle contrast. The Philips Brass Table Lamp will add contemporary style and elegance to the dining room, living area or hallway of your home interior.
Note: 1 x E27 Max 40w required.
