### Description

Nickel cast table lamp with black rectangular base plate and lampshade - from Eichholtz.

The Nickel La Mode Table Lamp comprises a structure cast in a curved design that rests on a black rectangular base plate. The unusual design injects unique character into your lighting solutions.

The lamp is finished with a rectangular black lampshade.

This lighting solution will inject a contemporary edge into the room interior and would look great placed in the living area, bedroom or lounge of the home.

Note: 1 x E27 Max 40w
