Description

They say good things come in threes...the Millennium Side Table Set from Eichholtz would support this suggestion. The table set features three side tables of different sizes, each with sleek stainless steel frames and each with a rounded black marble table top. The mix of steel and the black marble creates a sophisticated monochrome effect that will add an elegant aura to the interior. The tables can also be stacked neatly in a nest when they are not being used, creating a stylish focal point in the room.
