Description

Channel a nautical feel into your home interior with the gorgeous Le Caprice Brass Wall Lamp from Eichholtz. The lamp features a wall mounted plate and frame cast from antique brass with glass panels encasing the light bulb. This radiant lighting solution draws inspiration from traditional St Ives headlamps and injects a nautical theme into the interior. The Le Caprice Brass Wall Lamp is also available in a nickel finish. Mix them around the home for a lavish look that exudes designer style. Requires: 1 x E27 Max 40w
