### Description

Nickel finished wall lamp from designer brand, Eichholtz. The Small Glorious Wall Lamp comes with a rectangular base plate that holds the curved lighting solution in place. Cast in nickel, the wall light has a frosted glass panel that adds a unique look to it. Drawing inspiration from traditional wall lamps, this piece will make a fine addition to your dining room, lounge or hallway. The Small Glorious Wall Lamp is also available in a larger size and can be grouped around your home with this for a complete look to your lighting solutions.
