Description

Gorgeous zinc wall lamp in a smooth black finish from designer brand, Eichholtz. The Small Primo Zinc Wall Lamp has a sleek frame with a large top, drawing inspiration from traditional and classic wall lamps. The light source is propped up by a bulb holder and is surrounded by four transparent glass panels, with an accessible door with dainty handle to the front. The Small Primo Zinc Wall Lamp is also available in a larger size as well as a nickel finish. Mix the lamps in your dining room or hallway for a complete look that exudes designer style. Requires: 1 x E27 Max 40w
