Description

Add elegant designer style to your interior lighting arrangement with the gorgeous Lexington Nickel Double Wall Lamp from Eichholtz. The wall lamp has a square, wall mounted base plate with two protruding arms that each have a light source covered by a square lampshade in a smooth black finish with gold inner detail. The structure of the lamp comes in a nickel finish, offering a sophisticated contrast of colour. The Lexington Wall Lamp comes in several different variations with either black or white lampshades. Create your own mix for a unique home lighting arrangement.
Requires:
2 x E14 Max 40w
