Description

Contemporary nickel finished black table lamp with round drum shade from Eichholtz. The Newport Table Lamp comprises a square base plate with a rounded body both in a smooth black finish. The structure of the lamp also features nickel finished detailing at the top and bottom which creates a monochrome effect. The lamp comes finished with a round drum lampshade in a smooth black finish to offer a final fitting touch. This lighting solution will channel elegance and sophistication into your interior and will make a fine addition to the dining room, lounge or bedroom. Requires: 1 x E27 40w Max
