Description

Bring glitz and glamour into your interior with the gorgeous Kasbah Nickel Small Chandelier from Eichholtz. The chandelier has an oval structure cast from nickel and comes adorned with glass detail. It also features a hanging loop that is used to suspend the chandelier from a suspension cable or chain. This lustrous and luxurious lighting solution will bring contemporary designer style into your home while illuminating its surroundings. The Kasbah Chandelier is also available in a range of other sizes and finishes. Place one in each room of your home for a unique take on modern designer style.
