### Description

See beauty staring back at you with the Eichholtz Oval Table Mirror. The luxurious accessory has a small, nickel finished body with slim stem structure, rounded base plate and round frame that holds the mirrored glass. The frame of the mirror also features a thin stem that surrounds the bottom half of the mirror. This lavish piece channels complete luxury and subtle undertones of elegance and sophistication. Use yours in the bedroom in the morning or at night, or place it in the hallway as a decorative home accessory. Mix the Oval Table Mirror with other items from the Eichholtz range for a complete look in your interior.
