### Description

Start your art collection with the bold and unique Giles Print from Eichholtz. The print features a solitary white pelican standing upright against a dark backdrop. The white finish of the bird along with the orange beak and feet offers a bold contrast of colours. The beautiful art piece comes surrounded by a mirrored glass frame which offers a subtle hint of luxurious designer style. The wall art will make a fine addition to your hallway, lounge or dining room where it will channel a contemporary and original look into the space.
