Description

Turn your interior into an urban jungle with the Ec193 New York Bridges - Prints Set from Eichholtz. The set comprises four individual prints of bridges in New York, including the famous Brooklyn Bridge, each in a black and white finish. Each print is set against a white backdrop canvas that creates a subtle contrast. Each print comes with a wooden frame and glass panel that will channel a classic aura of timeless style. The beautiful wall art set will make a fine addition to your lounge, dining room or living area where it will be the main talking point of while channelling a unique look into the space. Note: Dimensions shown are per print
