Description

Bring glamour and superstar appeal in to your home interior with the gorgeous Ec060 Marilyn Monroe Prints Set from Eichholtz. Each print features a timeless black and white image of perhaps the world's most famous actress, Marilyn Monroe. The six prints feature portrait and action shots of the actress in and out of character. Every stunning print comes in a black wood frame with glass panel that channels a classic aura of style. The frame also creates a monochromatic effect set against the white canvas backdrop. This stunning and unique print set offers star quality to your home interior. Note: Dimensions shown are per print
