Description

Set of framed coral prints from Eichholtz.

The Ec191 Black Tan Corals Prints Set consists of four nautical inspired prints featuring corals in a range of sizes and shapes. The corals come in a white and grey finish set against a black backdrop and surrounded by a white canvas, creating a sophisticated monochrome effect.

Each print comes in a black wood frame with glass panel protection, adding a layer of elegance to the set.

Place your set in the lounge, hallway or dining room of your home for a touch of sophisticated appeal combined with designer style. Note:
