Description

Gorgeous monochrome framed print from Eichholtz.
The Ec196 Vlado Fieri I Print features an intricate pattern in a black finish set against a light backdrop. The design resembles a piece of written music and offers an eye-catching view.
The print comes with border detail and a large black wood frame with glass panel protecting the front.
Place your print in the lounge, hallway or dining room of your home for a touch of sophisticated appeal combined with designer style.
The Vlado Fieri Print is also available in another variation. Group them in your interior for a consistent look of luxurious style.
