Description

Sleek steel wall lamp in a satin black and polished chrome finish with acrylic diffuser from Chelsom. The Black & Chrome Metro Wall Light has an adjustable lamp head for multi directional light. The mix in finishes creates a monochrome effect while the opaque acrylic diffuser at the light fitting provides optimum light without glare. The lamp houses an engineered heat sink that ensures the shade is remains cool to the touch while prolonging the life of the light. The Metro Wall Light is available in two other finishes. Group the trio around your interior for a unique look to your home lighting arrangement. Warm white 1 x 6w LED light source.
