### Description

Sleek steel wall lamp in an ivory and polished chrome finish with acrylic diffuser from Chelsom.

The Ivory & Chrome Metro Wall Light has an adjustable lamp head allowing multi directional lighting.

The mix in finishes creates a subtle contrast while the acrylic diffuser within the fitting provides optimum light without glare.

On/off switch is housed on the oval back plate.

Each lamp also houses an engineered heat sink that ensures the shade remains cool to the touch while prolonging the life of the light.

Warm white 1 x 6w LED light source.
