

Chelsom Metro Desk Lamp Ivory & Chrome

Steel desk lamp with acrylic diffuser.
CH4095

Dimensions
Width: 36cm
Height: 61cm

Colour : Cream
Material : Steel With Acrylic Diffuser

Description

Sleek steel desk lamp in an ivory and polished chrome finish with acrylic diffuser from Chelsom. The Ivory & Chrome Metro Desk Lamp has an adjustable canopy lamp head supported by a long stem arm and round base plate. The mix in finishes creates a subtle contrast while the diffuser provides optimum light without glare. There is a colour co-ordinated on/off switch on the base. The lamp houses an engineered heat sink that ensures the shade is cool to the touch while prolonging the life of the light. The Metro Desk Lamp is available in two other finishes. Add one to your desk for an original light source that illuminates your work area. Requires: 1 x 6w LED (Not provided)
