Description

Sleek steel desk lamp with acrylic diffuser from Chelsom. Inspired by the London skyline, the Crane Desk Lamp is a fabulous contemporary piece fusing clean and stylish design with the latest technology.

The Crane features a warm white LED light source that allows diffused light to emit from a slim arm which rotates 180 degrees ensuring optimum light output for reading and working.

The lamp driver is housed in the geometric base which also sports a colour co-ordinated metal push on/off switch to complement the finish of the lamp.
