Saucer shaped chrome wall light with curved arm from Chelsom.

CH4131

Dimensions  
Width: 38cm  
Height: 30cm

Colour : Silver  
Material : Steel With Acrylic Diffuser

### Description

Steel wall light with acrylic diffusers in a lustrous polished chrome finish - from Chelsom.  
The Chrome Saucer Wall Light has a round, wall mounted base plate with a toggle on/off switch to control the light.  
Each light also has a curved arm that holds the large LED light source offering shallow directional downlight through the opal diffuser for optimum lighting.  
The Saucer Wall Light will make an ideal addition to your bedroom as a bedside light that can be used when reading a book in bed.  
1 x 6W LED light source (included).
