Description

Combination wall light in a polished chrome finish with chocolate wood detail and added LED reading light source, from Chelsom. The Urban Led Combination Wall Light has a square, wall mounted base plate cast from chrome with a deep rich timber feature. Each lamp comes complete with a 12" bowed rectangle lampshade in a cotton chintz white finish. The unique feature of this lamp is the adjustable LED reading light that can be tilted to suit, with on/off switch located in the base plate. This eye-catching wall light will make a fine addition to your lounge, dining room or bedroom where it will add modernity to the space. Please note other shade options are available, please contact customer services for further information. Requires 1 x bulb (not included) + 1 x 1w LED:
1 x E27 13.5w LED plus 1 x 1w LED
Or
1 x E27 20w CFL plus 1 x 1w LED
Or
1 x E27 46w HAL plus 1 x 1w LED
Please Note: This is a dedicated LED fitting which is not dimmable as standard – dimmable driver sold separately. Please contact customer services if you require a dimmable fitting with driver or if you require any further information.
