Description

Large polycarbonate pendant light by designer, Ferruccio Laviani. Made for Kartell, the glamorous Big Bloom Pendant Light exudes an floral brilliance which will fill the room with its shining presence.

With a crystal covering comprising small, transparent polycarbonate double corolla flowers, the stylish lighting solution offers a handcrafted feel and quality.

A series of little lights located within the frame beams light shafts through the flowers to refract on the multi-faceted surfaces of the petals and multiply a thousand sparkling reflections.

The Big Bloom Pendant Light is available in a choice of finishes. And will add timeless style and modernity to any interior.

Requires 9 x 33w G9 Halogen bulb (included).
