### Description

Eye-catching plastic chair, designed by Philippe Starck with Eugeni Quitlet.

The Dr. Yes Chair is an iconic Kartell classic, renowned for its unique style and design.

Created from high-resistant and modified material using gas injection technology, it is perfect for both outdoor and indoor use.

The chair features square lines with slight curved in the seating surface to optimise space. With an internal opaque finish inside, it is soft and comfortable to the touch and has a glossed back and legs.
