Description

Rectangular wall mirror in transparent or plastic colour frame from designer, Philippe Starck.
The Francois Small Ghost Mirror is made by Kartell and can be hung on your wall both vertically and horizontally.
The two-dimensional wall accessory comes with seagull wing sections with the colour finishes being taken from Murano glass that creates an eye-catching effect that adds a level of depth to the piece.
The mirror will make a wonderful addition to the lounge, hallway or bedroom where it will add a vibrant burst of colour.
It is also available in a larger size.
