Colour : Silver
Material : Nickel

Description

Industrial style adjustable pendant light fitting with 12 lamp holders.
Create a vintage inspired interior with this large spider arm pendant lamp
from Eichholtz.

Each polished nickel metal lamp holder can be adjusted to create a
different collective look and angle.

A central metal rod runs from ceiling rose to center of the light as
support.

This fitting looks great when combined with a selection of old style
filament light bulbs to add decorative effect.

Requires 12 x E27 max 40 Watt bulbs (not included).
