Description

Unusual jewel shaped metal coffee table with glass top.

This Eichholtz gold finished coffee table has effortless glamour which will create a focal point in any room.

The golden finished metal frame gives a three dimensional faceted diamond appearance and rests on a weighted white marble base.

A clear glass top completes the refined luxury look.

Please note Eichholtz products are artisan crafted with meticulous care by skilled craftsmen.

Every item is unique and slight variations in appearance are to be expected and celebrated as no two items are exactly alike.
