Description

Antique brass five light luxury pendant fitting from Eichholtz. Add some classic grandeur to your home interior with this fabulous pendant light, which consists of five faceted glass lantern shades with antique brass frames on long delicate cables which feed back to a gathered central ceiling rose. Looks beautiful when paired with a selection of decorative filament light bulbs in each lamp. Requires 5x E27 light bulbs max 25W (not included). Overall height including cable 237cm. Approximate net product: 5kg
