Description

Nickel finished serving tray with raised edges from Eichholtz. The gorgeous PM 5885 Tray will make a wonderful addition to your serving accessories in the home. The tray has a flat surface with an intricate floral pattern and comes with a raised edge which also features a detailed design. The nickel finish of the tray channels a gleaming and lavish look while the two handles at either side add a practical edge to the piece. The tray will make the perfect serving accessory when hosting dinner parties on which you can serve drinks to guests.
