Description

Take a seat with the Muuto Connect Sofa Steelcut Trio 2 515 Fabric. It is a contemporary modular seating piece that reflects the concept of discovering the ideal connections that lie within areas of the sofa. In a soft pink finish, the sofa adds a sophisticated and refined touch to any surroundings it is placed in. With precise line detail and precision behind the design, this offers a modern touch as well as significant appeal that ensure the furniture will stand the test of time. The sofa also houses specific references to architectural principals which are taken from modern design. From Muuto, add your own individual touch to the seating arrangement in your home interior with the Connect Sofa Steelcut Trio 2 515 Fabric.
