Description

Ornate baroque gold lacquer wall mirror from Eichholtz.

Reflect the beauty of your interior with the opulent glamour of the Eichholtz Leighton Mirror Gold.

Inspired by 18th century architecture, this classic addition features an intricately styled frame featuring stylised scrolls, vine foliage and baroque motifs.

An exquisite wall mirror created by skilled craftsmen and meticulously hand crafted to the highest standard, Leighton is an enduring addition of timeless designer style.

Perfect for brightening your entrance hallway or adding dimension above your fireplace, Leighton will channel light and create a heightened sense of space.

Please note: Due to the artisan production process used for Eichholtz products, no two items are exactly alike and variations are to be joyfully celebrated as this is a truly unique addition for your style-conscious interior.

Product net weight is approx. 33kg
