Description

Polished steel circular mirror from Andrew Martin.
Reflect the beauty of your interior with the stunning Rebecca Mirror from Andrew Martin
The eye-catching wall mirror is made from polished steel and adorns a circular disc border inspired by the warming rays of the sun.
The accessory will add unique designer style to your interior while evoking the elegance and sophistication Andrew Martin products are renowned for.
The Rebecca Mirror will make a wonderful addition to your, lounge, living area or bedroom ideal for classic and contemporary interiors.
Please note that due to the beautiful natural properties of this material and construction some irregularities and variations may be present at time of purchase or evolve over time, but these are to be expected and celebrated as no two mirrors are alike.
