### Description

Contemporary steel frame designer sofa in foam upholstery from Moooi. - Designed by Moooi co-founder, Marcel Wanders, the Canvas Sofa will be the defining piece in your living area or lounge.

The sofa features subtle curves while it is finished with four small chrome steel sofa feet.

The Canvas Sofa is ideal for a tranquil interior scheme that will add a relaxed aura reminiscent of being in a daydream.

Features:

- Removable covers\*
- Steel frame construction covered in foam and dacron - seat cushion is made in foam and also removable.
- Chrome steel legs (central 5th leg included)

Also available in a smaller 230cm version (sold separately), choice of other fabrics (shown with Jacquard Fresco composition of fabric) and can also be covered with your own fabric.

Please contact customer services if you require another size, colour or style of fabric.

\*Faux, Arredo Leather and Cervino Leather not removable.
