

## Tom Dixon Spun Tall Side Table

Glamorous gold occasional side table from Tom Dixon.  
TD0039

Dimensions  
Height: 70cm

Colour : Gold  
Material : Hand Polished Solid Brass

### Description

Glamorous gold occasional side table from Tom Dixon. The gorgeous Spun Tall Table features generous proportions with different influences. Completely expressive, it has hand polished, spun sheet, solid brass curves that add a gleaming mirrored finish. Exuding retro glitz, the table is formed from two elements – a circle table top and curved base. The table offers a different look to each eye, ranging from space age style to art deco and pop.
