Description

Gleaming gold brass pouring jug with black handle from Tom Dixon. The glitzy Form Jug is ideal for any liquid. It is made from spun brass, is polished then dipped in a gold warm wash. This adds an understated matt surface finish. The refined jug also has with a sleek looped black lifting handle which adds a subtle contrast. Reminiscent of a bygone era, it adds a layer of sophistication when serving classic British afternoon tea.

Features:

- Handmade - slight variations may occur in products, adding character and unique style
- Etched Tom Dixon logo on base
