Description

Embossed vinyl wallpaper with wood pattern effect from Designers Guild:
The stylish Patola Wallpaper offers a modern representation of classic
ikats from Central Asia which comes printed on a vertical rib embossed
vinyl backing.

The pattern design of the paper creates a wooden effect which brings a
touch of nature indoors to your interior.

Adding a defined linear look to the walls, the paper channels a rustic aura
of style with permanence.

Vertical pattern repeat: 76cm
10m roll

Half drop repeat pattern match.
