Description

Multifaceted Kartell vase with metallic gold finish.
This elegant gold vase has a shape which widens from the base to the top in a swirling sculptural motion.
Shanghai is like refracted lighting reflecting from a unique prism structure with alternating play of flashes and shadows, creating irregular forms.
Thanks to Kartell, plastic has become a precious, noble and sophisticated medium for home accessories. The Shanghai vase in metallic gold is a veritable luxury item which makes a fabulous home addition with contemporary glamour.
