

## Tom Dixon Felt Floor Lamp

Sophisticated tripod floor lamp with felt lampshade.

TD0088

Dimensions  
Width: 70cm  
Height: 145cm

Colour : Grey  
Material : Heat Pressed Felt

### Description

Sophisticated tripod floor lamp with felt lampshade from Tom Dixon. The Felt Floor Lamp is made by heat pressing a double layer of material. It is then sculpted into the desired shape.

This is known as "fabric forming", a technique that is rarely utilised in lighting industry.

The elegant floor lamp stand is made from anodised aluminium tubing. The lampshade has a welcoming grey finish and a spotless white interior.

Requires: 1 x 42w (max 100w) E27 halogen low energy clear bulb

Features:

- 2.5m clear cable
- Foot switch
- Tripod stand
