### Description

Gorgeous gunmetal finished hanging pendant lantern from Eichholtz. The Owen Lantern is a refined piece that channels a timeless aura of designer style. It takes a heptagonal shape and features an intricate wired frame body with glass panel detail. Inside the lantern sits four candle stems for bulbs, each set delicately on a rounded plate. Finished with a link suspension cable, the lantern will add classic and sophisticated designer style to the room. Requires: 4 x 40w (max) E14 (light bulbs not included) Approximate net product weight: 20kg Chain suspension with 150cm cable. Professional installation advised as this is a heavy pendant light.
