### Description

Luxury canaletto walnut veneer storage cupboard from Pacini e Cappellini.  
Store all manner of items in style with this fabulously crafted Italian piece of furniture.  
Each unit has a combination of simple cupboard doors with feature cut out handles and 2 deep storage drawers.  
A central bank of open shelving creates a feature visual display and storage area.  
Two timber sled base feet elevate the unit giving a light and elegant feel.  
Other finishes are available including natural ash, please contact customer services for further information.
