Material : Blown Glass & Varnished Steel

Description

Textured metal frame pendant lamp. With a metal frame reminiscent of industrial work tools, the Gask Pendant Lamp is inspired by the rustic hardware of the past. Created by a collaboration between Diesel and the luxurious Italian lighting brand Foscarini, the Gask Table Lamp presents an inviting opportunity to introduce an atmospheric illumination into your home. The stylish steel mount embraces a textured embossed black finish and is fixed to a hand blown glass diffuser with raw, exposed industrial bolts. Available in a number of colours, the innovative Gask Table Lamp is perfect in any room. Charismatic in form and shape, the Gask Pendant Lamp is designed to add modernity and inject personality to your interior. Requires 1x 60W E27 bulb (not included).
