### Description

Angular oak console table from Skagerak. Enhance and enrich the interior of your home with the Georg Console from Danish brand, Skagerak. Skagerak are all about modern, cool, Nordic furniture and the Georg Console is just that. Specifically developed for the wall of your hallway or living room, the beautifully rich oak frame, which is available in a number of colours, is simplistic in form and is complemented beautifully by two striking angular table legs. Skagerak products are strengthened by the principles of simplistic Scandinavian design and are created with nature in mind. This perfect combination makes the Georg perfect for injecting timeless style into any interior or exterior space. Made from responsibly sourced materials, this beautiful collection will inject practical and environmentally friendly urban style into indoor and outdoor schemes.
