Description

Contemporary angular wooden clothes rack from Skagerak. The iconic Danish brand Skagerak are all about modern, cool, Nordic furniture and the Nomad Rack is just that. Specifically developed as a contemporary storage solution for the hall or bedroom, this stunning storage rack leans effortlessly against the wall and is perfect for hanging clothes, towels or jackets. Fixing hooks are included to fix the top of the rack to your wall if required. Better yet, the Nomad includes 4x adaptable hanging hooks, making this a flexible storage solution to suit your individual needs. Skagerak products are strengthened by the principles of simplistic Scandinavian design and are created with nature in mind. This perfect combination makes the Nomad perfect for injecting timeless style into any interior. Available in a number of finishes and sourced from responsibly sourced materials, this delightful collection will introduce a practical and environmentally friendly urban style into your interior space. Price is for ladder, fixing wall hooks and 4x hanging hooks only. Please note: The Skagerak Nomad Ladder Shelves pictured in the lifestyle image are sold separately via our customer service team.
