Description

Printed velvet kilim cushion in buff and cream colourway.
Indulge your interior with the texture and pattern of the Andrew Martin Fitzroy Buff Cushion.

Sumptuous and stylish the Fitzroy velvet cushion is perfect for both classic and contemporary homes alike and exudes a smart and stylish appeal.

Welcoming a kilim print design, this unique designer cushion reminds us of the plump pristine scatter cushions found in enviable boutique hotel interior schemes.

Contrast velvet piping completes the look adding definition to the design and a luxurious feather filled cushion pad ensures maximum comfort in your seating area.

Mix and match with other designer cushions from the Houseology Andrew Martin collection to create a stylishly snug sanctuary to retreat to after a long day on your feet.

Luxury cushion inner included.
