### Description

Glass top nesting coffee table with stainless steel finish. Channel contemporary glamour into your interior with the Pavoda Coffee Table from Eichholtz. The Pavoda has a circular frame with timeless, luxurious appeal, making it the perfect focal point in your lounge or living space. Functional as well as stylish, the table saves valuable floor space with four charming nesting tables cleverly concealed beneath. Finished with a lavish stainless steel frame and seductive smoky glass table top, this impressive table will add unique designer style to both classic and contemporary interiors.
