Description

Glass top nesting side table with gold finish. Channel contemporary glamour into your interior with the Vicenza Side Table from Eichholtz. The Vicenza has a circular frame with timeless, luxurious appeal, making it the perfect focal point in your lounge or living space. Functional as well as stylish, the table saves valuable floor space with four charming nesting tables cleverly concealed beneath. Completed with a lavish gold finish frame and seductive smoky glass table top, this impressive side table will add unique designer style to both classic and contemporary interiors.
